Dear customer,

We are very pleased to offer you our plant stock list for the season 2017/2018.

Our nursery specialises in sorting and delivering of forestry- and hedging plants, rootstocks and pyramidal/ conical trees. All our specimens are carefully sorted to heights and sizes for delivery.

It is our priority to produce and deliver good quality plants and we take utmost care of the sorting, packing and transportation of your plants as you may expect from us.

Our catalogue includes a wide range of trees and plants from various sources.

A visit to our nursery will be worth your while.

We look forward to welcome and guide you on site to view our range of plant-/ tree specimens.

As was in the past years too, we endeavour to deliver your orders complete and accurate to your satisfaction.

For all our transactions our condition HBN 2008 complies.

Payment within 30 days after the date of invoice (in accordance to our general terms and conditions.)

Other varieties not included in our stock list can be delivered on request.

Rijsbergen, (Council of Zundert)
